Elaine,
It has been just plain great knowing you these past years (We didn't know each other existed till basketball season) and I want you to know I have enjoyed it, believe me! When you gave me your annual you asked me to tell you how pretty, sweet, kind and considerate you were. You're not! Hs Hs Hs No, I'm kidding (ever know ~~me~~ me not too!) Really! Putting all jokes aside, I honestly do agree with you. Not only that, but you also a good sense of humor (I guess thats why we like each other). Elaine please stay as sweet as you are now.

In June I'll be leaving this school forever. In a way I'm glad and sad too. Don't let me graduating stop our friendship. May we be good friends then as we are now, Or Better, Ok?
Here's hoping you the best of luck and happiness in life and I hope you find the one. We talked about that at a basketball game, Remember? Also remember Judy spilling Coke all over me and she just about got you too. Be good and stay sweet.

Jim Gregory Senior '64

Elaine,
This has been an enjoyable year-hasn't it? The trouble is it's almost over. When next year will be the last for some of us, but life goes on. Be good like you always are and have fun. I hope your summer is the best and you get the most out of life cause you deserve it. You are one of the few people who

a pal!

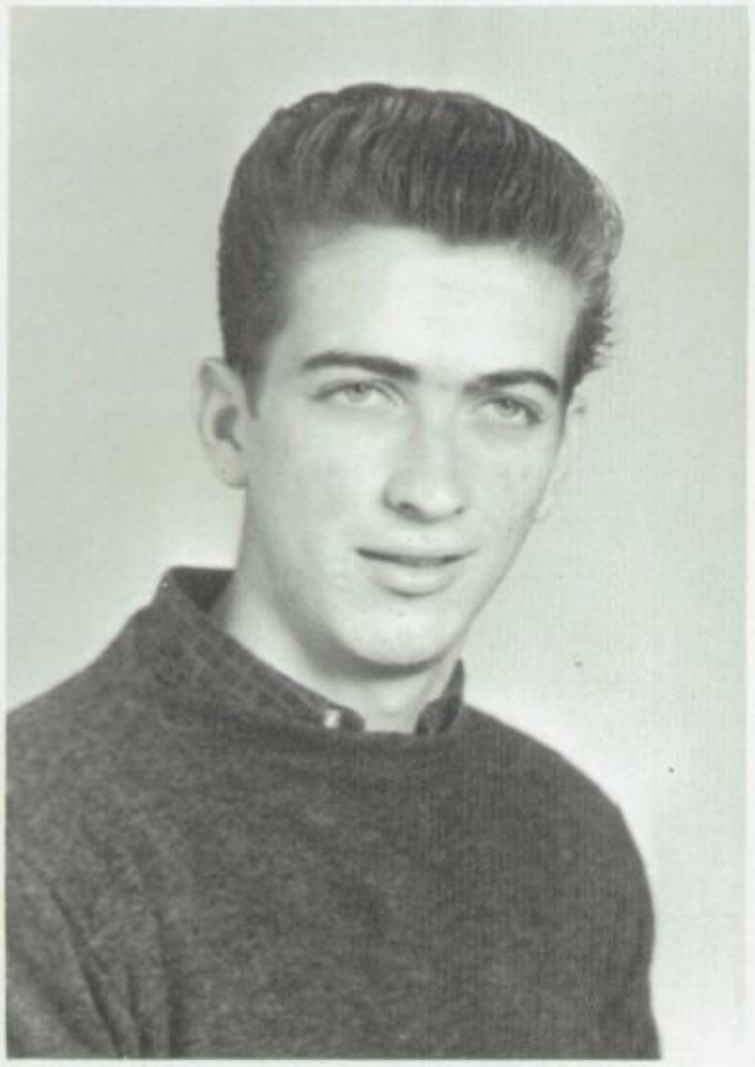
Dedication

For your genuine concern for each of us during our final year at this school, for wise advice and assistance which have made it possible for us to publish this yearbook, and for being just an all-around nice person, we the class of 1964 dedicate the XII volume of THE HORNET to you, MRS. JAMES HOLLER.

In Memory



Steven Philip Patterson

We all find peace in different ways. Steve has left us, but we know that he is happy in a better and more peaceful place than this earth.

Pamela Jo Hartsell

A friend to all...cheerful words and kind smiles to all who met her. We've all missed Pam, but we can find some consolation knowing that she is now making someone far greater than us happy.

In Memory

John Charles Wooten

In all that we do this year, we shall be thinking of this one who was so suddenly taken from us. John's memory will always fill a special place in our hearts.

This Is The Way We Go To School

Class Song

Oh, C. H. S. our school days here are ending
This is the night when we must say good-bye
As time draws nigh
Our hearts are filled with sadness
But future hopes and dreams are now to come.

The time has come when we must say good-bye
Dear C. H. S. we love you best
We're leaving you to go our separate ways
Good-bye, CELESTE, Farewell, CELESTE.

Class Motto

Within ourselves our future lies.

Class Poem

These closing moments make us blue
As we think of the days we have gone through
And all the joy-filled highlights, too
Of our dear high school days.

Our memories of Celeste Henkel School
Teaching us all the useful rules
And giving us our working tools
Will be with us our whole life through.

A day or two have gone it seems
Since first we set our hearts and dreams
But now that we are ready to leave
Parting sorrow is what we feel.

And whether we are far or near
These memories we hold most dear
And all the days we have spent here,
Our Dear Celeste Henkel High School.

With pride and devotion in our hearts
And tears within our eyes,
We bid our beloved school farewell,
Farewell, Celeste, Goodbye.

ALL HAIL! O C. H. S.
All Hail! C. H. S. our dear old Alma Mater
Our parents loved thee, gave their best to thee,
And still today their loyal sons and daughters
Follow them on and pledge their loyalty.

All hail! O C. H. S., thy classic halls are standing,
Type of the faith of those who founded thee;
Casting their spell upon thy sons and daughters,
Holding them still, in faith and loyalty.

Class History

We, the class of 1964, are "Dignified Seniors" at last. We have twelve long, hard, but wonderful years behind us. Each golden year leaves us with many fond memories.

In the fall of 1952, thrity-eight young, eager, and a bit timid children entered the first grade at Celeste Henkel with little thought of ever being Seniors.

As the years passed we found ourselves gradually progressing, each in his own special way. Our field of study broadened as our understanding of the world around us grew.

In the fifth grade we lost many of our classmates due to the rebuilding of Sharon School. They were to rejoin us when we entered high school.

Our main attraction in the eighth grade was our trip to Raleigh. For the Sharon students came the long awaited graduation. Together we shared the night of high school registration. We renewed acquaintances with our old friends and anxiously met new ones.

As we returned to Celeste in 1960 there was a certain amount of excitement for us. As Freshmen we realized that we were growing up. The first few weeks proved to be confusing, but with the help and guidance of our teachers and upper-classmen we found our place and steadily advanced in the new surroundings.

When we returned as Sophomores we were ready to pick up where we had left off and proceed toward our goal. The year was climaxed by the biology trip to Linville Caverns.

Our Junior year was one not to be forgotten; and we all agreed that our Senior year would really have to be great to beat it. Among our memorable events were our money raising projects, "The cotton patch," the "car wash," and the biggest success of all, our play Hillbilly Courtship. At the close of the year all of our dreams seemed to come true as we presented under starlit skys our banquet, "Some Enchanted Evening."

Yes, we are now Seniors. We have received our rings; we have completed our magazine sales; we will soon have our annual completed. There are many events to look forward to, our senior play, our trip to Washington and New York, our banquet, and our graduation.

Among our joys and excitement there is some sorrow. We are beginning to realize that our time together as a class is short. We will soon have to take our separate paths and make our ways alone. We will never again be able to be a direct part of Celeste Henkel, but our hearts will remain here always.

HORNETS TAKE Y. V. C. CROWN WITH 7-0 RECORD

As the Celeste Henkel Hornets advanced into a new conference, their hopes were high for victory. With the incentive and will to win, coupled with some hard hitting and plenty of guts, the Hornets battled through the season with a sparkling 7-0 record. Included in the games was a 24-12 victory over our rivals, Scotts High.

As the regular season play ended a playoff was held. The Celeste Hornets met the East Surry Rebels for the Regional Championship Title. With hopes to win the regionals, Celeste began tedious workouts. The game was played well throughout but when the final whistle blew, the score stood 13-0 in favor of East Surry.

Elaine

I have really enjoyed your friendship all these and going steady
past years from the first grade on up and especially "now"
I shall never forget the first night that we dated
or any of the rest of them. The night that we started
going steady was the happiest night of my life. I shall
never forget all the good times that we have had
with Lib and Dale, and all the nights that you invited
me out for supper, and the Sunday's I was off. what
a good time we had.

Remember the week-end ~~that~~ "Jake" put up his wall
and we couldn't ride around there anymore.
you have meant more to me ~~than~~ then anything
in my life, you have such a friendly and nice way
about you that ~~you~~ makes me love you so.
Only good things must happen to a good person
like you; ~~and~~ and I hope that you always
get what you want in life because you
are so understanding and sweet. always stay
as you are now and I am sure that happiness
is yours and ~~I~~ I hope I can help you share it.
Best Wishes always to a very Sweet
and understanding girl. I will always remember
and love you and never do nothing to hurt
a sweet girl like you. Good Luck and Best Wishes
always. God Bless you always.

Love always

Elaine,

I just can't think of enough terrible things to say about you - but I'll try!!! To one of the best friends anyone could ever have I would like to wish all the happiness + success this ole world can offer. I'll always remember our wild times in the car + all the mean things we did at school. Remember the night you stayed at my house and we didn't go to sleep until about 4 o'clock the next morning!!! (Oh-h) Don't forget all the good times we (Amy, you + I) had in English - with Rosemary laughing as much as us. I'll never forget the many times you helped with me with all my problems - ha! I just couldn't have made it without your help. I'll never forget that service station + the little button that a certain girl turned - ha! To a girl who is more like a sister than a friend I want to wish the best of luck. I hope life treats you better than it does me!!! May your life be free of all sorrow + heartache + may all your good dreams come true. Best wishes in the future to you and yours. You stupid nut - somehow I just can't think of anything good to say about you. Just stay as sweet as you are now + you'll always have billions of friends. Be good, but if you can't be good be careful!!

Well, Lainey we've had a lot of excitement this year + I'm looking for a lot more next year.

Love,
Forever a Friend,
